

**Metal Detecting Rules**  
**Boise Parks & Recreation Department**

**PURPOSE**

To establish rules for metal detecting in Boise Parks & Recreation (BPR) facilities as directed by Boise City Code (BCC) 9-14-04K.

**GUIDELINES**

1. BCC authorizes metal detecting in Boise Parks & Recreation facilities with a permit from an authorized agent of BPR. All permittees shall display permit in plain sight and comply with the following rules and regulations.
2. Permits may be issued to users under the age of 18 with a guardian's signature.
3. Authorized agent of BPR will teach the following skills and permittees will be required to follow them:
  - a. Remove items properly from the turf
  - b. Do not use a knife or trowel
  - c. Do not dig plugs
  - d. Do not pull grass
  - e. No probes longer than 8 inches or 1/4 inch across
  - f. Always heel probed ground
  - g. Abide by all park rules and regulations
  - h. Do not interfere with reserve activities, organized sporting activities, or other park uses.
4. Failure of an individual to abide by the rules and regulations will result in revocation of the permit and appropriate legal action.
